Dear Mr. Clark:

The final review of your mailbox models: 001-01, 001-04, 001-06, 001-07, 001-08, and 002-00 have been completed in accordance with section 4.1.3 of USPS-STD-7B. It has been determined that these mailboxes are in compliance with the requirements of USPS-STD-7B. Therefore, with this notification, you are authorized to manufacture and market these mailboxes as approved by the United States Postal Service (USPS).

Enclosed is one set of the approved drawings which have been stamped as follows: USPS CERTIFIED DRAWING, Issue No. 1, May 16, 2002. The enclosed drawings represent the baseline design for this control and USPS quality control. Any future changes to these drawings must be reviewed and approved by the USPS prior to production implementation.

If you have any questions, please contact Don Irwin at (703) 280-7287.

Sincerely,

James W. Buie  
IP Business Manager
